exact location, ownership, and vehicle particulars have not yet been supplied and must be verified. This narrative records an allegation only and does not establish that an offence has been proved.

6. Preliminary Investigation Actions Requested

• Record the complainant's detailed statement and verify ownership and vehicle particulars.

• Inspect and document the reported parking location, including date/time and relevant scene notes.

• Identify and preserve available CCTV footage from the relevant period; record the source, export details, timestamps, and handler.

• Identify potential witnesses and record their statements according to applicable procedure.

• Check relevant vehicle movement, registration, or recovery records only where legally authorized.

• Document each item of evidence with an evidence ID, collection date/time, collector, storage location, and chain-of-custody transfers.

• Update the case status after verification and follow the procedure required by the competent police authority.
