Subject: Request for information and return of a motorcycle reportedly missing from a public parking area

Sir / Madam,

1. I, Arun Kumar, a fictional person used solely for this sample, state that a black Honda Activa 6G motorcycle with illustrative registration number TN 00 AB 1234 was reportedly parked at a public parking area near Central Market, Chennai, at approximately 9:15 PM on 19 October 2026 and was found missing at approximately 10:00 PM the same evening.

2. The above vehicle details and incident circumstances are fictional placeholders for application testing and have not been independently verified. The identity of any person responsible is unknown, and this notice does not assert that any particular person committed theft.

3. If you have information regarding the location of the vehicle or its removal, you are requested to communicate that information to the appropriate authority and arrange for the vehicle to be returned through lawful channels, where applicable. No person should enter private premises, threaten another person, or attempt to recover property by unlawful means.

4. The matter is proposed to be referred to the competent police authority for verification and action in accordance with applicable law. Any reference to a criminal provision, including BNS Section 303(2), must be assessed by the competent authority on verified facts.

5. This sample notice is not evidence that a complaint was registered, that an investigation has commenced, or that any recipient is legally liable. No response deadline is imposed in this fictional specimen.

Yours faithfully,

Arun Kumar (fictional)
